Dear Ms Kitchen,

In response to your letter of April 25, 2001, we are in the process of amending our report in accordance with the instructions for H Schedules. However, to assure correct year-to-date totals, it is necessary for us to amend prior reports before amending this report.

In 2000 we did attempt to file electronically. On our initial filing we were not reporting any activity for schedules H2, H3 and H4. When we were required on the next month report to use those forms, we learned that our software could not complete schedules H2, H3 and H4. Therefore we are not able to electronically file accurate reports. We were advised that filing electronically is not mandatory until 2001. Our software vendor has upgraded their software to support H schedules and it is our understanding that this upgrade will allow us to file electronically with the Commission all 2001 reports.

Your letter was sent to our previous address. We have notified you by our February 5, 2001 attached letter of our change of address and did not receive your letter in time to meet your 15 day response request.

If you have any questions concerning this matter, please contact me.

Very truly yours,

Jack Hanson
Treasurer
